

homework **weekend 2**

1. Match the words in column A with the words in column B.

Column A

Al-Wadud

Ar-Rahman

Al-Karim

Al-Khaliq

Al-Ghafur

Column B

The Forgiver

The Generous

The Creator

The Loving.

The Kind

2. Allāh is so kind that He gave us many things. Name four such things that He gave to all of us even before we were born. For example, one of them is the sun.

A. _____

B. _____

C. _____

D. _____

3. Find Allāh's names from the scrambled words below:

M A I R K _____

I H A M R _____

D U W D A _____

M A L S A _____

4. Allāh has many beautiful names. How many of His names can we learn from a hadith?

5. extra**Credit.** Time to do some research. Search the Internet with the help of your parents. Or, your house might have a chart of 99-names of Allāh. If so, look at the chart and find five names of Allāh that are not given in the lesson. Write the names in the colored rectangles and the meaning of the names below the rectangles.
